From the Top

From the Top is America's largest national platform dedicated to celebrating the stories, talents, and character of classically-trained young musicians. Founded in Boston in 1995 by Gerald Slavet and Jennifer Hurley-Wales, From the Top originated as a variety-style radio show. More than 20 years later, From the Top has grown into a multi-media and arts education powerhouse, **transforming** the lives of hundreds of young musicians each year, **inspiring** millions of fans, and **pioneering** new ways to **unite** communities around the promise of outstanding young talent. Every year, more than **3 million fans** around the globe enjoy From the Top's radio broadcasts, videos, and live performances.

Event Overview

The From the Top Gala will take place on May 15, 2018, at City Winery in Boston, Massachusetts.

"The annual From the Top Gala is the most inspiring and entertaining event of the year! You really feel the magic of these young performers and come to appreciate the great opportunities that From the Top brings to their lives."

Eran Egozy, Founder, Chief Technical Officer and VP of Engineering, Harmonix Music Systems

From the Top's annual gala is the organization's most anticipated—and fun—event of the year, raising vital funds to support and develop America's next generation of artists, arts leaders, and classical music audiences. From the Top brings the creativity and excellence of its radio show to this signature fundraising event, making it more like a show than an endless array of speeches.

Sponsoring the From the Top Gala is an exciting opportunity to see the soloists of tomorrow as well as support programs that make classical music accessible to under-resourced audiences. Join us for an inspiring evening as we introduce our **new Executive Director, Gretchen Nielsen**; welcome **special guest Robert Siegel**, formerly of NPR's *All Things Considered*; enjoy **dinner and cocktails**; and, appreciate **extraordinary live musical performances** by the country's finest classically-trained young musicians as well as renowned classical pianist and *From the Top* Host Christopher O'Riley.

The From the Top Gala is an uplifting client cultivation opportunity as well as a great networking experience. Approximately 200 high-profile philanthropists, arts lovers, youth program supporters, corporate leaders, and institutional partners attend the event. Guests have the opportunity to meet and mingle with each other and the performers throughout the evening. They will leave exhilarated by the stories and performances of the young people we serve and impressed with your company's support of the talented young musicians who are the future of classical music. Plus, your brand will benefit from prominent placement in front of our audience of influencers.

About From the Top

Boston-based From the Top is America's largest national platform dedicated to celebrating the stories, talents, and character of classically-trained young musicians. Through live events, NPR and YouTube broadcasts, scholarships, and leadership programs, From the Top empowers these extraordinary young people to engage and inspire music lovers of all ages. From the Top reaches more than three million people per year, through its radio show, YouTube videos, live concerts and events, and arts leadership programs.

From the Top's musicians, ages 8–18, astonish audiences with their skill and talent. Their hard work, dedication, and passion make them role models for their peers. Yet, when they tell us about their lives outside of music, we are reminded that they are typical kids and teenagers, with normal worries and big dreams. In this winning combination we see a bright future, filled with the joy and hope that music offers to the world.

From the Top's Media Programs

From the Top's signature media program, **NPR's *From the Top with Host Christopher O'Riley***, is the most popular weekly one-hour classical music program on public radio, heard by more than 500,000 listeners in over 200 markets. Recorded before live audiences across the country, each one-hour broadcast features five performances along with interviews and profiles revealing the heart and soul behind the talent of these extraordinary young musicians.

See the Music, our online music video program, brings together young classically-trained musicians with collaborators from multiple artistic genres and disciplines. Distributed on YouTube and social media, *See the Music* videos are an innovative way to reach millions of new fans.

Center for the Development of Arts Leaders

Every musician who appears on *From the Top* receives intensive **leadership training**, exploring the communication and collaborative skills needed to bring music to new audiences. They then apply this training by creating and performing customized outreach activities in every community we visit.

Scholarships

Since 2005, From the Top and the Jack Kent Cooke Foundation have awarded more than \$2.2 million in scholarships to exceptional young musicians with financial need. In addition to performing on *From the Top*, recipients are awarded up to \$10,000 to advance their musical studies.
